

Forms of presentation

Presentation :

Lecture time should not exceed 15 minutes. Reduce to minimum the explanation of specific issues and description of data in tables. Focus on explanation of starting points and the achieved results. For presentation you can use a data projector with PC. The presentation is obligatory in English.

Posters: Poster should contain headline with names of authors, affiliation with mail address, and the title of contribution. The size of the poster board is 1189 mm (width) x 841 mm (height). The authors are expected to attend their posters during the poster session according to the conference program

Your abstract should be between 150 and 300 words. JEL classification and up to 6 keywords should be used.

For abstract submission, please click [here](#) to download abstract template.

For full paper conference, click [here](#) to download paper template for ICTEA's conference proceeding book.

All accepted papers will be published in the conference proceeding book. It will be distributed to all conference participants at the Conference. Only submitted full papers and the list of announced and presented oral presentations and posters will be included in the conference proceeding book.

Paper Requirements

All accepted papers submitted to ICTEA-4 may be published or may not be considered for publication at International Journal ICT Education, Knowledge Society and Open Governance elsewhere at any time during the ICTEA 4- review period. There is a limit of two contributed submissions per lead author. Authors are responsible for having their papers checked for style and grammar before submitting to ICTEA-4. Papers may be rejected if the language is not satisfactory.

Reviewing

All papers submitted to this conference will be double-blind peer reviewed by at least two members of the Scientific Committee. Acceptance will be based primarily on originality, significance, technical soundness, presentation, and references. The conference chairs make the final decision on the acceptance or rejection of the paper.
